April 26, 2012

Dr. Dale Srinivas
Vice President
Rajiv Gandhi University of Science & Technology
135 Sheriff Street
Campbelville
Georgetown

Dear Dr. Srinivas,

Approval for the Establishment of a Tertiary Education Institution

The National Accreditation Council (NAC) is pleased to inform you that it has reviewed the registration application submitted by the establishment of the Rajiv Gandhi University of Science & Technology. Having reviewed the submission, **Provisional Registration** is hereby granted for the Rajiv Gandhi University of Science & Technology to be established in accordance with the National Accreditation Council Act No. 12 of 2004. As requested in your correspondence dated April 24, 2012, permission is also granted for your institution to commence advertising and matriculating students for the Bachelors & Masters Degree level programmes offered.

The Rajiv Gandhi University of Science & Technology shall be subject to the General Conditions for the Maintenance of Registration of Post-Secondary & Tertiary Institutions.

The validity of the Registration period shall be for six months with effect from **April 26, 2012-Oct 25, 2012**. Two months prior to the expiration of the Registration period, the Rajiv Gandhi University of Science & Technology shall submit a progress report to the National Accreditation Council in keeping with the National Accreditation Council's Guidelines for Registration.

Yours faithfully,

Michael Porter.
Senior Accreditation Officer
